Our Mission

Seeking to put God’s love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Our Vision

A world where everyone has a decent place to live.

Building Homes ~ Strengthening Families ~ Transforming Communities

Support for Building

Donations help fund the construction of new, safe & decent homes for low income families.

Home is the Key

Affordable homeownership gives families stability, a safe place for children to thrive, and the chance to build generational wealth.

Making Homeownership Affordable

Qualified participants purchase homes through zero-interest mortgages, making homeownership possible for hardworking families.

Meet Shaun Presley A Future Habitat Homeowner

Home means hope, stability and a fresh start for Shaun and her son. Raising a child with special needs, she’s leaned on her faith through many years of uncertainty and moving from place to place. Being a homeowner will change their lives completely, it will give them affordable living and the chance to finally plan for the future.

Shaun’s hope is to give her son a stable home like she had growing up.

“This journey isn’t just about building a house, it’s about building a brighter future for our family.”
