Our Mission

Seeking to put God’s love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Our Vision

A world where everyone has a decent place to live.

Building Homes ~ Strengthening Families ~ Transforming Communities

Support for Building

Donations help fund the construction of new, safe & decent homes for low income families.

Home is the Key

Affordable homeownership gives families stability, a safe place for children to thrive, and the chance to build generational wealth.

Making Homeownership Affordable

Qualified participants purchase homes through zero-interest mortgages, making homeownership possible for hardworking families.

Meet Sheena Collier - A Future Habitat Homeowner

Growing up, Sheena faced early adversity but stayed determined, inspired by watching Bob Vila remodel homes and dreaming of one day having her own.

Sheena is in the Habitat homeownership program and is excited to build alongside volunteers and create a safe place to call home for her and her daughters.

“God has shielded and protected us this long, I can’t stop now,” Sheena says.
